January 6, 2010

Dear: College

Re: New York State College Fair Day

United Coalition Association would like to invite you to the Official 5th Annual Bronx College and Career Enhancement Fair, on Friday March 19th, 2010. This fair will be held at Castle Hill Boys and Girls Club – 625 Castle Hill Ave Bronx, N.Y. 10473 from 11:00am – 4:30pm. **There will be tight security**, all attendees must arrive at 10:30am sharp.

This year's package fee is \$25; this covers 1-Table and 1 chair, hot lunch, your schools name on the college fair flyer & local newspaper ad, and as well as on www.bronxcollegefairday.org.

The New York City Council will proclaim March 19th as New York City College Fair Day at this event, as well as the NYS Assembly. We are inviting all high schools in the Bronx, as well as Manhattan, Queens and Brooklyn to attend this event. The theme of the official New York State College Fair Day is 'The Importance of Staying in School'. As you are aware, the percentage of Latino and African American students dropping out of high school is alarming. As a result, we are urging people in the Latino and African American communities to help us take a stance and educate the many families who are unaware of the resources available for their children to obtain college education.

For more information, contact I Exec. Director Ronald Savage, at 718-842-3751.

Sincerely,

A handwritten signature in cursive script that reads "Ronald Savage".

United Coalition Association Inc.
Exec. Director Ronald Savage
